

The background of the poster is a vibrant blue with a wavy, water-like pattern. At the top, two palm trees with green fronds and brown trunks are positioned on the left and right sides. In the bottom corners, there are illustrations of red lifeguard stands with blue slides. The bottom center features a yellow pool area with two people: a man on the left wearing sunglasses and holding a drink, and a woman on the right with purple hair in a bun, splashing water. Pink water fountains are also visible in the pool area.
